# Wedding Accommodation

## *at St. Mellion Estate*

We are lucky enough to have both our 4\* Hotel and self-catering Cottage Collection here at the Estate, ensuring we can offer plenty of accommodation for all your wedding guests.

The beauty of guests staying onsite allows you to consider extending your celebrations to include the night prior or into the following day. Make the most of your stay ~ enjoy a special lunch, a treat in the Spa, a round of golf or two, or private dining in the evening with friends and family, the perfect get together that we can arrange for you.

The Hotel has 80 contemporary bedrooms offering standard Kernow Rooms, or superior Signature Rooms that offer a private balcony and views over the golf courses. For those friends and family travelling far or just want that longer break to be together for such a special occasion, we have the Cottage Collection that we can offer guests on a self-catering basis (minimum 3 night stay).

Your Wedding Planner will advise the special Wedding rate that you can offer your guests for the Hotel. These are on a Bed & Breakfast basis, with full access to the Health Club. All guests can book Golf & Wellness Spa treatments at an additional cost to their stay. All rooms are accessible from 3pm onwards and departure from the hotel is 11am.

The self-catering cottages have a minimum night stay requirement. Please speak to your Wedding Planner to discuss your requirements. All our cottages are on a self-catering basis and all guests have access to the Resort facilities including the Health Club.

Rooms must be booked in advance.
